A WORLDWIDE PATENT, AN INTERNATIONAL PRESENCE

BETTER THAN
A SUPPLIER, WE
ARE A **BUSINESS
PARTNER.**

- AN ENGINEERING GROUP
- A PRODUCTION CENTER
- A PRESENCE ON SITE
- A SINGLE POINT OF CONTACT

With a Headquarter in Alsace, at the heart of Europe, and a sister company in North America, the company **Satie System** designs and manufactures frames for electrical enclosures, control cabinets and machines chassis.

The patented frame from **Satie System** is used to optimize the manufacturing process, generating significant savings in time and space.

Over the past 20 years the forward-looking Satie team is continuously upgrading and adapting the system to meet the challenges of the upcoming years.

With a production unit in France, North America and soon in Asia, the **Satie System** is available on the European, American and Asian markets.
